

Scholarships To D.H.S. Pupils

AMONG recently announced scholarship winners are the following pupils of the Dandenong High School:

Matriculation Bursaries of £50 (teaching), Graeme Simon, Eric Burchett; also Noel Carroll, who recently came to reside here from Seymour.

Valuable scholarships in the form of Secondary Studentships have also been won by Philip Newell, Helen Wilson and Ken Lee, all first year students.

Miss Dorothy Griffiths, who is doing third year, and Miss Beth Allison, who has just completed her Arts course at the University, both won Secondary Studentships. The value of these ranges between £169 to £226 with living away from home allowances, and exempts winners from University fees. Beth will be doing her Diploma of Education course this year.

The Dandenong High School, the scholars themselves, and the teaching staff can well be proud of these results.
